

## BENEFIT FROM JoVE VIDEOS IN YOUR REMOTE TEACHING

Enjoy access to JoVE videos until 24 September 2020

**We are delighted to inform you that your library at UWC is offering you trial access to JoVE, the world-leading producer and provider of science videos with the mission to improve scientific research and education.**

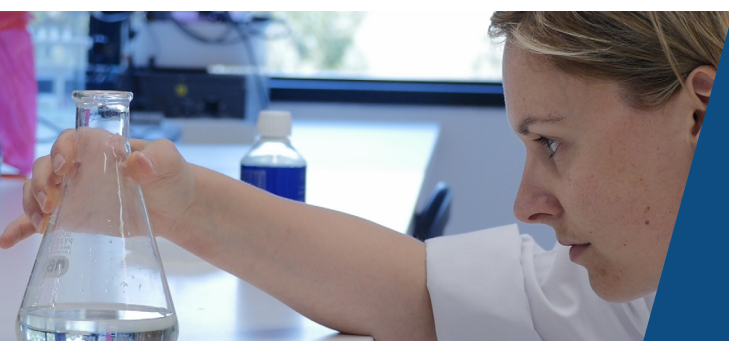

From now and until the 24th of September 2020, you have full access to both our [JoVE RESEARCH](#) and [JoVE EDUCATION](#) solutions.

**Make the most of your JoVE trial**  
Visit [JoVE.com](https://www.jove.com) today

**Access videos 24/7, both on and off-campus.** You can watch JoVE videos from anywhere; simply create an account using your institutional email.

[Find out more here.](#)

**Need more help?** Speak with our customer success team now about how to get your faculty's classes set up. [Contact our team here.](#)

**JoVE RESEARCH** solutions accelerate research productivity by bringing to life the intricate details of cutting-edge experiments, alongside text protocols. By enabling researchers to see the scientific method in action, JoVE videos facilitate efficient learning of new methods and ultimately, improve STEM research productivity.

**JoVE EDUCATION** solutions improve STEM teaching and learning and help educators reach their student learning outcome goals; covering core concepts to advanced methods and theories. The videos support blended learning and flipped classroom initiatives.
