The Library has a plethora of easily accessible online quality peer-reviewed Journals, articles and e-books, to support your e-learning curricula and research needs, including exam papers, research repository materials and online Librarian chat service. All Faculty Librarians are willing to assist you via email. Check us out on the UWC Library Webpage.

Supplementary resources are availed by publishers to promote learning and research during the COVID-19 crisis. The Library's webpage access to quality information resources are zero-rated data use.

The Library doors of Learning are open as part of the UWC Campus Integrated Phase-in Plan from 8:20-20:00 hours Monday – Friday, and Saturday 9:00-15:00 for campus permit holders only. Lockdown 2 regulations apply.

We care about your safety and health, thus all Library operations will be conducted in compliance with COVID-19 health and safety protocols. Social distancing norms strictly apply (kindly see detailed information on FAQs <https://libanswers.uwc.ac.za/index.php>).

If you are not ready to visit us, we totally understand as we are online. The Library offers a full digital service on: <https://lib.uwc.ac.za>

We wish you a positively safe, healthy learning experience, with every success in your studies.

Thank you
