

Message from the Library Director

CONTINUED SUPPORT DURING LOCKDOWN LEVEL 1

Dear UWC Community

UWC Library and staff will continue to support students and staff in Learning, Teaching and Research. Under the current Lockdown Level 1, online learning and teaching continues with **permit restricted access** to campus.

The Library offers a full digital service on: <https://lib.uwc.ac.za>. Access to quality information resources are zero-rated data.

The Library has a plethora of easily accessible online quality peer-reviewed Journals, articles and e-books, to support your e-learning curricula and research needs, including exam papers, research repository materials and online Librarian chat service. All Faculty Librarians are willing to assist you via email or via our Chat Service.

Supplementary resources are freely available by publishers to promote learning and research during the COVID-19 pandemic. The Library doors of Learning are open as part of the UWC Campus Integrated Phase-in Plan from 8:20 - 20:00 hours Monday – Friday, and Saturday 9:00 -15:00 for campus permit holders only. Lockdown regulations and protocols apply.

We care about your safety and health, thus all Library operations will be conducted in compliance with COVID-19 health and safety protocols. Social distancing norms strictly apply (kindly see detailed information on FAQs <https://libanswers.uwc.ac.za/index.php>).

We wish you a positively safe, healthy learning experience, with every success in your studies.

Thank you

Dr S Neerpath
Library Director

On behalf of the Library Management and Staff
